Who is this?

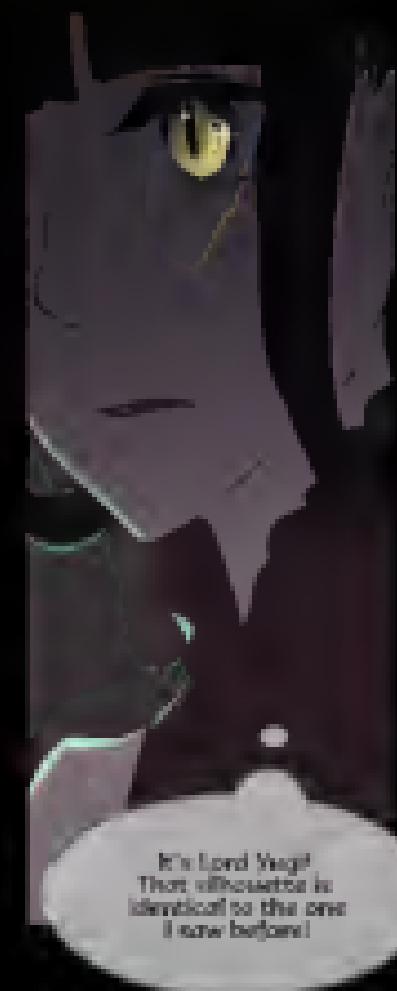

He is one of the
Kami protecting you

and the constructor of
the Spear of Zanmarak.
His name is Yugi

He joined the
humans' war, and barely
made it out alive. Ever since
he's been recovering in

"Darkness" cared,
and cared for something
something so precious
in this world...

to be wished
that it would
never change

However, the
laws of this world
always change.

Because [Dragons] were the only ones to come into this world as complicated beings.

They used their emotions to break free from this law.

So I Darkness...

evolved into
something else

[Chaos].

Since he evolved,
he was no longer a Dragon,
hence losing his Dragon Heart.
It was quite inconvenient.

However he
gained another
power.

LONE MANGA

He adopted to
conversion without
a Byondan

powers to make extra
prejudgments, such as
the Hornetoids.

Coincidentally, Choco found a 'vessel' and entered it without hesitation.

Harmless aren't too bad," he thought.

I'm waiting for a festival.

One that will bring
about the greatest chaos
in the land...

The change of
the [only Dragon born
of this world]...

*No! I still don't know
